LOCKED PREPAY PLAN FOR 2011-2012 HEATING SEASON

Dear Customer,

In an on going effort to stabilize your heating costs for the up-coming 2011-2012 heating season Fogel's Fuel Service LLC is again offering our **customers** the opportunity to prepay your heating oil costs to avoid the possibility of price increases during the winter months.

The locked prepay price is being offered at \$3.59.9 per gallon (WHILE SUPPLIES LAST). The Prepay automatic delivery period will run from Sept 1, 2011 thru June 15, 2012. To find out your estimated prepay cost call our office at 610-759-0629. We have your last season's usage on record and will be able to tell approximately what your cost will be for the up-coming season.

TERMS

LOCKED PREPAY PRICING, means the price per gallon WILL NOT GO UP OR DOWN during the terms of this program.

We are also offering **DOWNSIDE PROTECTION AT .35 CENTS PER GALLON** which allows your prepay price to come down if our everyday delivery price is less than the prepay price. Downside protection must be paid at the signing of the agreement and is **NON-REFUNDABLE**. You may purchase Downside Protection by cash, check or credit card at no additional cost.

All prepay customers must remain on automatic delivery until June 15, 2012. If you have prepaid gallons remaining on June 15, 2012 it will remain a credit balance in your account, which can be used towards next years program or for service. If all of your prepaid gallons are delivered before **June 15, 2012 automatic delivery will continue at the current market price at the time of your delivery. If you wish to discontinue automatic delivery after June 15, 2012 you must notify Fogel's Fuel Service LLC.**

All deliveries of oil for the prepay program will only be delivered to the delivery address listed.

A fifty cent (.50) per gallon penalty on the full amount of gallons purchased will be charged for early refunds or discontinued deliveries.

Payments for the 2011-2012 prepay program at **\$3.59.9** can be made from receipt of this letter while supplies last. Payments can be made by cash, or check. Credit Cards WILL be accepted for an additional .05 cents per gallon.

COMPLETED AND SIGNED BOTTOM PORTION OF THIS LETTER MUST ACCOMPANY PAYMENT

I have read and understand the above prepay program and wish to participate
